Message from the Churchwardens

As the seasons change and winter draws on we are pleased to report that the boilers in the church and the Cloisters have been serviced and the heating system should mean that the warmth of our love and worship is matched by an adequate temperature for our physical comfort over the winter months. Work continues on the tower and we now have detailed plans for repairing the tower internal staircase. For the time being this means that the clock cannot be wound so we ask for your forbearance while it only, by celestial miracle, still shows precisely the right time twice every day! We now look forward to next week's Harvest Festival when our wonderful flower team and their friends will be showcasing the richness of this season of mellow fruitfulness. Your donations to Needs and Seeds next week will be especially welcome. Till then - with love from Andrew & Toni

Diary update

News from the Mousehole.

What a beautiful morning full of rainbows! The mice scampered in to play with tiny furry balls and lolly sticks in all the colours of the rainbow, scoop and pour rainbow rice and paint wonderful rainbows. At story time, the Peace Dove told her tale of Noah, his Ark and God's promise to the world. Next week will be our Mouse Hole Harvest celebration all about apples. Love Sally, Caroline, and the Church Mice team.
