

## **NOMINATIONS FOR CHURCHWARDENS**

### **TONI SWANN**

My family joined the Holy Trinity congregation when we moved to Bembridge in 2015. I served for several years on the PCC before taking on the role of churchwarden in 2025. I am a Deanery Synod representative for the church, I organise the Welcome Teams and Lifts to Church and love being a part of church life. I am also a co-opted Governor for Bembridge Primary school, help with Flourish events and attend the Bembridge Churches Working Together Committee on behalf of Holy Trinity. I enjoy exploring and deepening my faith both in church and in a weekly home group that I help to run. I have felt encouraged and been well-supported by the congregation and leadership team over the last year, and pray that this carries on as we enter a new chapter for our church in the coming months.
